dedication

mrs. kathleen tabor

This years Paragon yearbook staff and student body dedicates the 1973 Paragon to Mrs. K. Tabor for outstanding guidance to all students.

Mrs. Tabor was advisor for most student organizations, a job that many would find intolerable. She attended all student functions and corresponded between students and administration.

Also, Mrs. Tabor is the maternal and newborn instructor and has been with Lakeview for over 25 years.

As students of Lakeview Memorial Hospital School of Nursing, we honor and dedicate this book to our lady of the year, Mrs. Kathleen Tabor.

SCHOOL LIFE

the

now

... students are ...

Beth Fellers with daughter

...the very proud parents of fine healthy and well disciplined youngsters, who became the dorms most cared after children, who no less get to have their own way no doubt!

Jason sure gets wided-eyed in front of a camera.

Master Holycross sure is a ham.

Jason sure is upset, but nothing seems to bother Jeff Estock when he's eating.

tour guides . . .

Ann Rouse, Phyllis Liggett, and Kathy Smith enjoyed taking school children on tour of the hospital, especially since every one received orange juice for a treat.

studious . . .

Marsha Elledge and LuAnn Lindgren find that continuous studying can do some weird things to students, especially to the two students found one morning after studying all night for a final. Wow did they have sawdust brains after all that studying.

... students are plain ordinary people.

...resting after a hard day's work

You mean an apple a day doesn't make you sexy?

Come on Kathy, you're already a half an hour late for work now.

GUESS WHO????

Who do you girls think you're fooling, we know that there's a copy of PLAYGIRL under that Newsweek.

Still getting ready, he has been waiting downstairs for over an hour.

There's nothing more relaxing than an evening with Mark the Fish.

Wish we could get an elevator in this place.

Okay Cindy what's in the can and don't give me that story about it being Mountain Dew.

Barb and Linda enjoy a free evening of horse play.

THANKS FOR THE MEMORIES

Thanks for the memories of 3 years in this shrine, always blowing my mind, the probies want the telephone but a senior on the line. How lovely it was. Thanks for the memories of rainy afternoons, swingy chorus tunes, and morphine trips and broken hips and soggy toast and prunes. How lovely it was. Many the time that we wasted and many the times that we worried. Oh well it was hell while it lasted; we did have fun and no harm done. And thanks for the memories of working on the floor, enemas galore, you always were a headache but often were a bore, So thank you so much.

Thanks for the memories of counting down the days when we can count Hurray and chuckle when old Lara-bee says "the door swings both ways," How lovely it was. Thanks for the memories of lingerie with lace, Maalox by the case, and how I dropped the bedpan when I saw the doctor's face. How lovely it was. We said hello with a hypo and they jumped as high as a steeple, but we were INTELLIGENT people; no tears, no fuss, Hurray for us. So thanks for the memories of isolation blues, Hey freshman where are you, and all the plexitron tubes that somehow went subque. So thank you so much.

s.n.a.i.

Student Nurses Association of Illinois is an organization representing the interest and abilities of student nurses throughout the state of Illinois, and also throughout the nation by representing each of its members on the national level in ASNA. This year Lakeview has been honored in the representation of many of its students on both state and district levels of the organization.

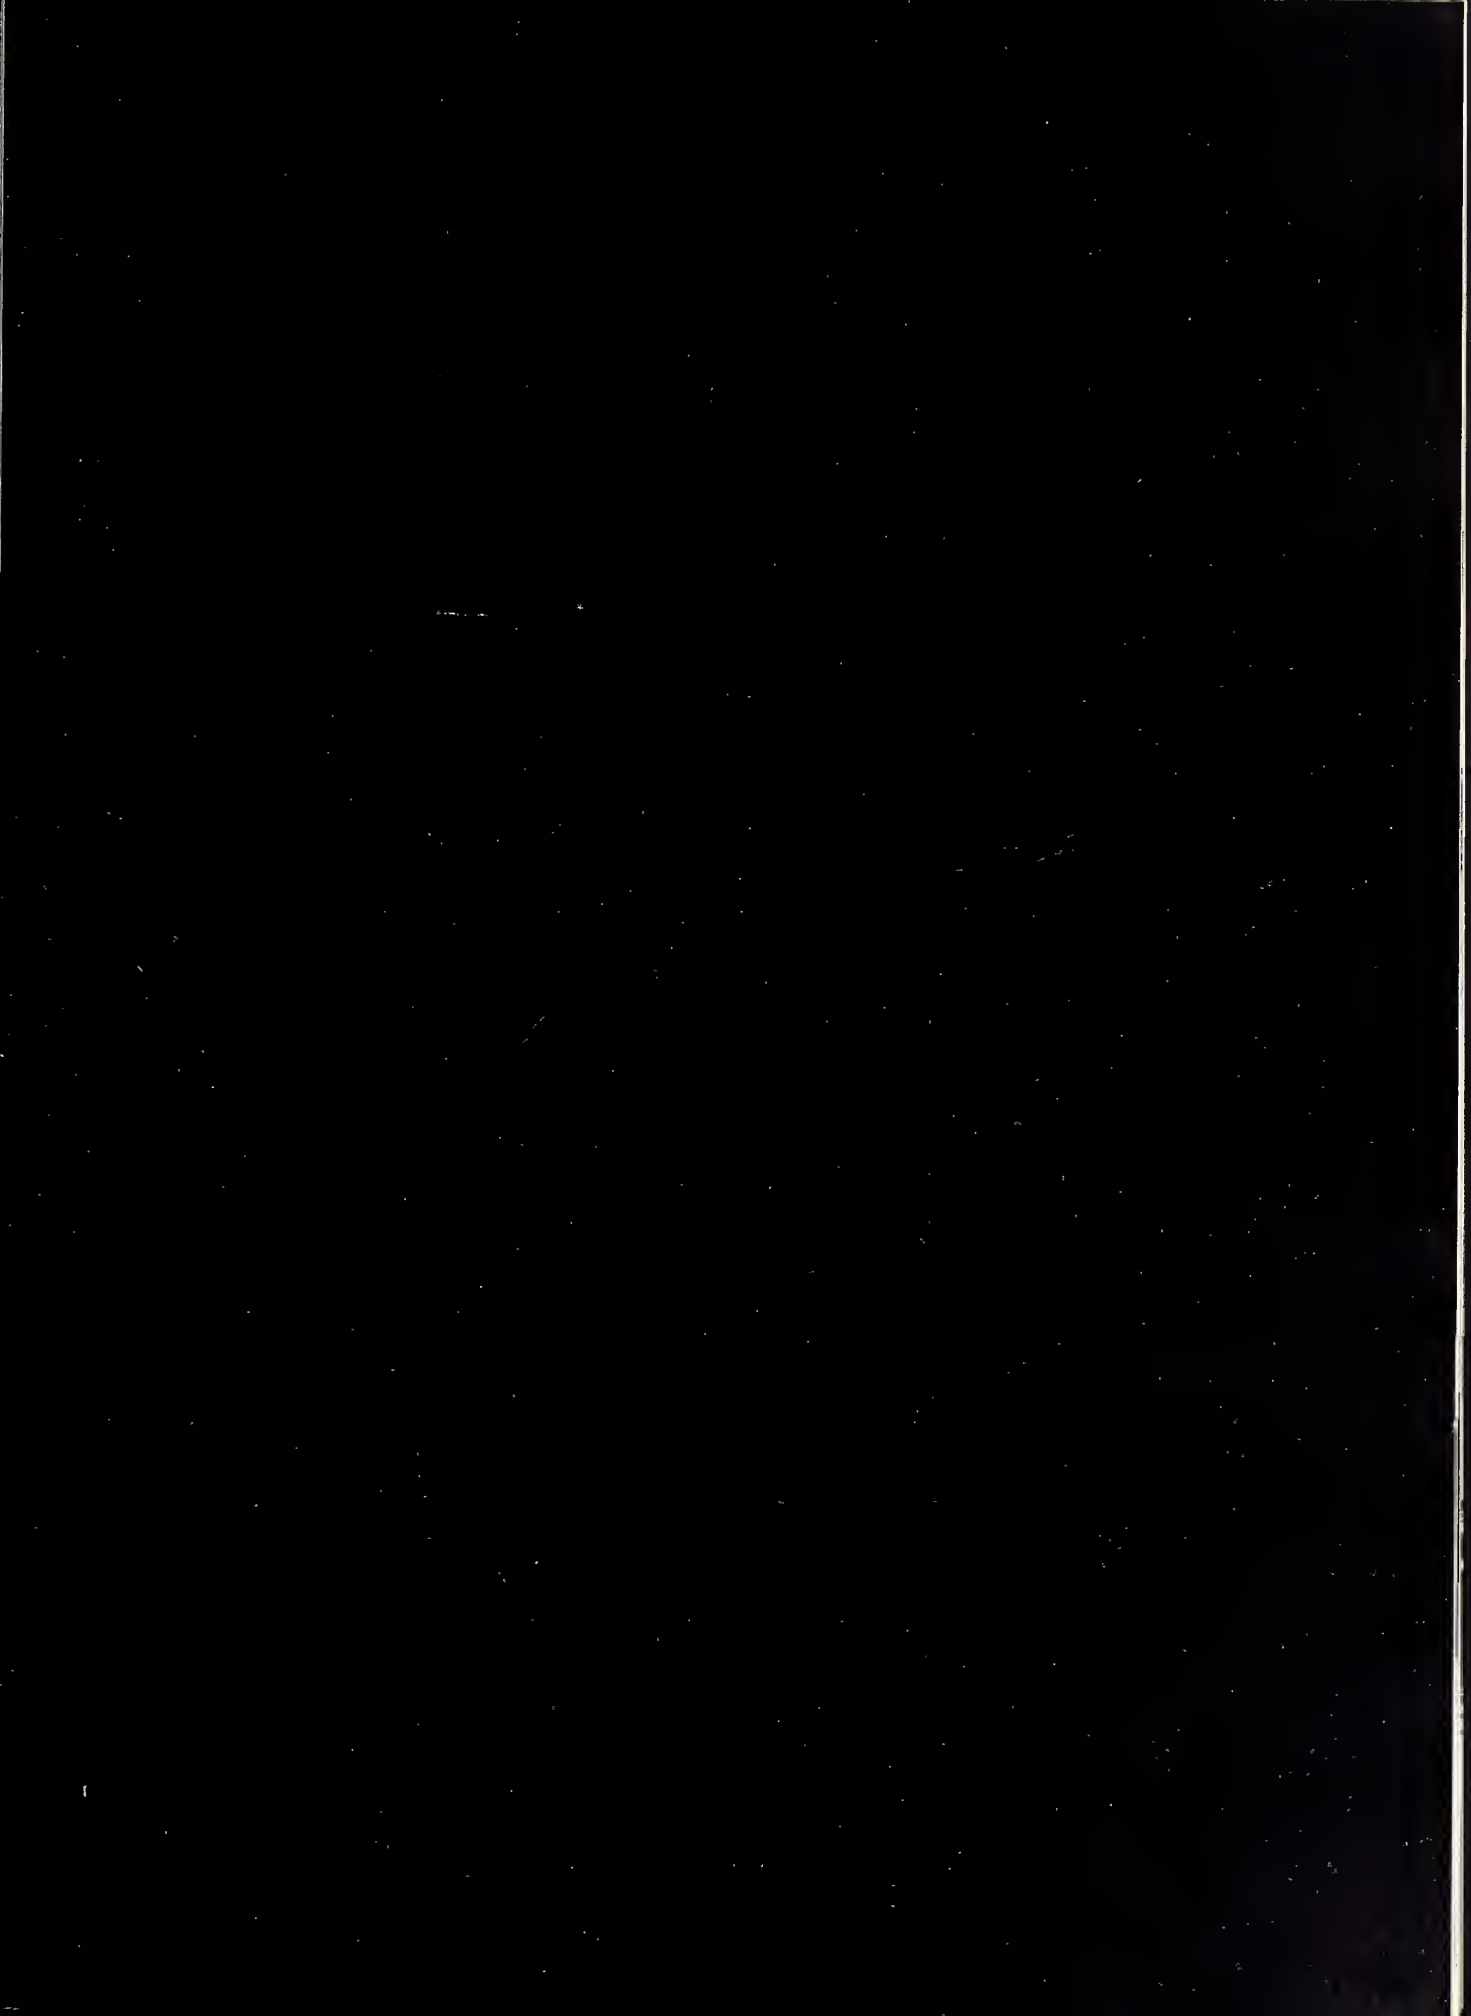

Miss Marsha Elledge was District 4 president of the 72-73 year, with Miss Barb Merhley as secretary, Mrs. Vada Leong as District Breakthrough chairman and Miss Joyce Cundiff as project chairman. Mrs. Carol Furgal served as co-advisor. Although these students and faculty held offices, the operation of the organization was the concern of all members.

Congratulations go out to the following students, who will be taking office in the district for the 73-74 year. Wanda Landsdown, president; LuAnn Lindgren, vice-president; Winnie Snedeker, secretary; and Lynn Blackford, breakthrough chairman.

Eight students and two instructors attended the state convention held in Rockford, Ill., an experience that could only be described by witnessing the event. Through a lot of hard work and campaigning Jackie Islam was elected corresponding secretary of the state.

Hoping that all students and professional nurses take an active interest in their professional organization so that nursing may have a voice in its governing.

In 3 years, Beth Fellers will have crocheted a uniform, that all the students will envy back at the dorm.
 It will be a common site to see Marsha Marcum and her little black bag; don't get your hopes up addicts,
 it's full of yarn- What a gag.
 In 5 years Olivia Humphreys will bring the Doctors to fame, be being their star team member in the
 Annual Softball Game.
 Now mothers tell your children Carmen Withers is the type to be, an enthusiastic, hard-working, go-
 getter, and a pianist always on key.
 You know how patients gripe when nurses shout when they're trying to sleep; they can't complain about
 Carla Williams who's quiet, a quality she'll always keep.
 The whoppers of rollers Libby Mink uses in her hair, look with your own eyes 'cuz in 2 years she'll be
 using Libby's tomato juice cans-quart size.
 Year after year, by and thru, Anna Rousr will be head nurse of first floor at Lakeview.
 Listen every pregnant woman, teacher Diane Shapuras will seek to reach you and thru her patient guid-
 ance, the Lamaze Method will be a cinch, when you're thru.
 In 5 years every U.S. St. Bernard will line Jan Starkey's street; awaiting her "to later be famous" fudge
 doggie treat.
 In 2 years everyone will listen to W.L.S. disc jockeys chat and chat, about Cheryl Borntrager's hit
 album: "Freddies Is Where It's At".
 Vickie Draper's future does not look dim. She'll be promoting every item put out by "'G.M.".
 In 5 years Chris McBride will be asked by Broadway to act the part of Scrooge in an award-winning play.
 Within the next decade Cynthia Fisher shouldn't be cursing; she'll replace Martha Mitchell on film in
 Psych. Nursing.
 Lela Schweyhart will be quite famous by far for her book entitled, "Luck and My Car".
 Joyce Cundiff's life should never be a bore, she'll be listening intently in church or working in hubby's
 drug store.
 Marsha Elledge's life should be A-Okay, she'll be president of the ANA.
 In the near future Janet Franklin will produce sound effects really scary, to be used on the late show of
 Sammy Terry.
 "101 Tasty Dishes Made From Fish" will be the best seller book, written and published by Barb Merhley,
 the great cook.
 When patients have problems they wish to talk about, with Carolyn Hood around, they'll find understand-
 ing no doubt.
 Shortly after receiving her diploma, Kathy Hodson will work in Champaign 3 years later the title of Peds
 supervisor she'll gain.
 For a nurse who does well watching her weight, Kathy Smith will do a good job discussing diets with pa-
 tients, a job many nurses hate.
 To comfort patients in the hospital, Barb Kroll always tries; an easy task with her warm personality and
 sparkling blue eyes.
 Phyllis Liggt will always be punctual for 3rd shift, you can bet a dime; for the Mickey Mouse watch
 she'll soon buy will keep excellent time.
 Every year when there is problem weather with the snow, Linda French will have a snowmobile to get
 where she wants to go.
 In 5 years Cynthia Estock will have gone far, in that she'll be an instructor like Mrs. Kienast in O.R..
 From miniskirts to Chinese Kimonos Vada Leong will take a step; and furthermore she will be selling
 Jewish rye with such pep.
 State boards will certainly be no strain, for Christine Vanderpoorten and her brilliant brain.
